

EXISTING PEDESTRIAN CONDITIONS AND PRIORITY SIDEWALK RECOMMENDATIONS

This map highlights existing pedestrian conditions in Wilmette such as sidewalk gaps, locations of interest, transit, and pedestrian-involved crashes. Based on these conditions and other community feedback, several priority locations for new sidewalks were identified for consideration.

- | | |
|-----------------------------|--------------------------------------|
| Sidewalk Gap | School |
| Pace Bus Route | Pedestrian Fatality |
| CTA Purple Line and Station | Pedestrian Incapacitating Injury |
| Metra Rail Line and Station | Pedestrian Non-Incapacitating Injury |

Priority Locations for New Sidewalks

- | | |
|--|---|
| 1) Greenwood Avenue between Illinois Road and Harper School | 5) Green Bay Road between Linden and Wilmette |
| 2) Dartmouth Street between Kenilworth Avenue and Elmwood Avenue | 6) Hibbard Road |
| 3) Lake Avenue on the north side between Seneca and Ramona | 7) Frontage Road |
| 4) Glenview Road between Skokie and Sunset | 8) Pathway connecting Avoca West to West Park |
